TO OUR CUSTOMERS AND FRIENDS:

This is the twenty first year we have offered Sweet Potato Seed to the trade. We wish to state we are doing everything possible to put out **FIRST CLASS SEED**. Also to give first class service.

Our prices hold good only for supply we have on hand. Prices are subject to change without notice. All orders received and acknowledged will not be affected by any price change.

We are aware of the fact that some seed can be bought at a lower price than we quote. But if you could see the stock out of which some seed is packed; well, the fact is, you would not use it at any price. **WHY TAKE A CHANCE —BUY THE BEST.**

We have the following Varieties

Nancy Hall	
per bu.....	\$3.50
Porto Rico	
per bu.....	\$2.75
Yellow Jersey	
per bu.....	\$3.25

Prices F.O.B. Dongola, Ill. No C.O.D. orders.
20% down payment on all advance orders. Balance
when you want seed shipped. **BE SURE TO STATE**
whether to ship **EXPRESS** or **MOTOR TRUCK**.

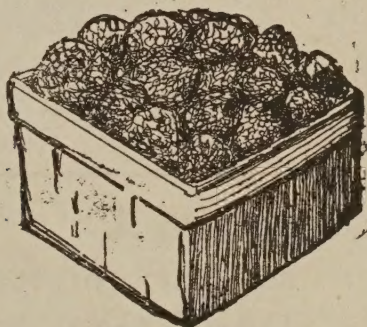

NOTICE

There is a **SHORTAGE OF NANCY HALL** sweet potato seed this season.

SO PLEASE CUT DOWN ON NANCY HALL AND USE MORE OF SOME OTHER VARIETY, SO WE MAY HAVE SOME NANCY HALL FOR ALL OUR CUSTOMERS.

The reason for the shortage of Nancy Hall seed is that all the principal markets are demanding **PORTO RICO** potatoes, So the farmers are raising **PORTS** instead of Nancy Hall, as they are bringing a higher price than Nancy Hall.

SO PLEASE ORDER FEWER NANCY HALL SEED.
